

# Ironbark Log Pile

# Installation

### Footings quantities and depths

From ground level

Item	Qty	Hole Diameter	Hole Depth
Posts	27	300mm	600mm

**Note:**

This product is designed for 300mm softfall. Check the proposed on site softfall depth. If it is not 300mm please adjust depths of post holes accordingly, to achieve correct overall subsurface depth. This will maintain correct height of equipment above undersurface level.
